DECLARATION ON TUITION FEES AND SOCIAL CONTRIBUTIONS

ACADEMIC YEAR 2015/2016

1. The tuition fees amount to 8,500.00 euros in total. They cover all services such as teaching materials, excursions, conferences, tutorials and exams. They do not cover cost of accommodation, living or compulsory health insurance.
2. The tuition fees are to be paid to the Europa-Kolleg Hamburg by instalments:
 - the first instalment of 1,500.00 euros is due after acceptance of the offer to participate in the programme until Monday, 1 June 2015.
 - the second instalment of 3,500.00 euros is due before commencement of the programme until Tuesday, 1 September 2015.
 - the third instalment of 3,500.00 euros is due before the beginning of the second term until Tuesday, 1 March 2016.Applicants for scholarships who wish to wait for the award of a scholarship due to our efforts take note of and agree with a separate arrangement:
The payment of the first instalment will be deferred only until the actual award of a scholarship. It is to be transferred immediately afterwards.
3. In the event of non-payment of any of the instalments referred to in paragraph 2 any right to participate in the programme or to continue to do so is forfeited. Reimbursement of any amount already paid is generally not possible. An exception may be granted, upon request, by the Joint Committee in case the failure to participate in the programme or a premature termination thereof is due to a reason for which the applicant is not responsible. Non-fulfilment of the admission requirements is considered to be a reason for which the applicant is not responsible.
4. In addition to the tuition fees, a social contribution in the amount of approx. 350.00 euros per term is to be paid to the University of Hamburg directly. The social contribution is due upon registration and re-registration for the second term respectively pursuant to the relevant legal provisions relating to higher education in Hamburg. The social contribution includes a ticket for all means of public transportation in Hamburg which may be used during the term.
5. Payments referred to in paragraph 2 will be reimbursed in the event that the programme cannot be operated either in its entirety or in part (e.g. a field of specialisation) and participation in the programme is thereby made impossible. Any further claims are excluded.
